

# Employ LNK

Good morning all -

It's been my honor to help lead EmployLNK for the past five years! We have an excellent Planning Committee and EmployLNK will not skip a beat! Josh Redfield and Lisa Dickey from Dynamic (new AJC provider) and Annette McCroy from the Center for People in Need will be reaching out to everyone!

Starting July 19th, I will work at Kawasaki as their Chief Talent Strategist to help in recruitment and retention of production and welding team members! I will share my contact info once it gets set up.

I look forward to working with you all in this new area and cannot wait to connect your clients to careers. Kawasaki starts people with no experience at \$18.25/hr! See below for more info.

**Also!! Please refer your clients to the Manufacturing Class! Remember that a 'case manager referral' can be from anyone- a nonprofit worker, friend, or mentor! Apps due 7/12!**

The Lincoln Manufacturing Class is back! We will have a class in July-August at Mount Zion Baptist Church. See below for class application and brochure to share with clients.

The class meets once a week for six weeks for two hours and a meal is provided.

The certificate provides preferred hiring status at 15 Lincoln companies! [For a list, click here.](#) Upon completion of the class and applying for a job, the student receives \$250!

Our next EmployLNK meeting will be on July 21 and we will have Yankee Hill Brick and Midwest Maintenance as employer guests!

See below for rent assistance info & hiring info!!
