

A MESSAGE FROM THE PRESIDENT

Chamber Members,

As Lincoln Public Schools prepares for a possible closure in response to coronavirus (COVID-19), the schools are in immediate need of reusable bags for second through fifth grade students to use to safely get their Chromebooks and chargers home.

We need approximately 13,000+ bags and we are hoping that several businesses in the community can help us with this need.

The bags can be cinch bags, totes or backpacks that are between 14-16 inches wide and 16-20 inches tall. Donations need to be dropped off by Friday, March 13, 2020.

If you are able to donate, [please fill out this form](#) and let Lincoln Public Schools know how many. LPS will communicate with you the next steps for getting them dropped off.

Thank you for helping us and our community with this urgent request!

Sincerely,
