

Building New Stories

WITH EASTMONT

An Educational Webinar Series
for Senior Living

Expand your knowledge on relevant topics as we expand our campus with an array of new amenity spaces and with The Stratford, a beautiful, six-story apartment tower!

Don't miss this upcoming live virtual event and the final installment in this popular series. Hosted by industry experts, these educational webinars aim to inform, explain and entertain!

Experience life from new heights at Eastmont, Lincoln's true Life Care community!

Webinar Schedule:

Thursday, June 25 | 10 a.m. | Day Trip Nebraska

Discover new adventures with Nebraska Tourism Commission's Shirley Wichman, a native Nebraskan with a passion for her home state. Whether it's an epic road trip or a simple stop at a nostalgic mom-and-pop shop, Shirley will help you plan for fun this summer while still staying safe and adhering to social distancing guidelines. From the panhandle to the pedestrian bridge, you'll love learning about some of Nebraska's most underrated, yet breathtaking must-travel-to sites.

Did you miss our first four online events? Catch up on them here!

Organize and Downsize

Take the drag out of downsizing with this fun, talk show style webinar that will help you minimize your mess without sacrificing your memories.

Eat Well, Live Well

This wellness webinar with instructional demos will help you strengthen your body as you get older with whole foods and at-home exercises.

Life Care and How to Get There

Discover the benefits of Eastmont's Life Care from a professional stance as experts discuss issues like estate planning, investment and taxes.

Ready, Set, Sell!

Considering making a move? Real estate gurus will share why the current market is perfect for sellers and help you successfully sell your home amid today's circumstances.
