

## A MESSAGE FROM THE PRESIDENT

Chamber Members,

We have had a busy last few weeks at the Chamber. During our forums and events, there has been a lot of conversations about coronavirus (COVID-19). While health officials indicate the current risk is still low here in Nebraska, we should still be prepared.

The Lincoln-Lancaster County Health Department has compiled information about the virus that you may find useful.

Thanks!

Sincerely,

A handwritten signature in black ink, appearing to read "Wendy Birdsall". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Wendy Birdsall, CCE  
President, Lincoln Chamber of Commerce
